MEMORANDUM FOR: Chief, Production Center, DIA
DIAAP-1M2 - NIS Section

SUBJECT: NIS Coverage of Pharmaceutical
Industry and other Medical Supplies
and Equipment

Attached is a record of a 25 July 1962 meeting of Army (ACSI & MIIA), BDSA/Commerce, and CIA representatives, who arrived at a working agreement designed to reduce duplication of effort in the production of Subsections 64H and 64J. This required no change in the Standard Instructions and therefore no NIS Committee action. Personnel of the former MIIA have suggested that this information be forwarded to you for such DIA re-examination or concurrence as may be appropriate.
